In Favor Of Futurism Being About The Future | Slate Star Codex Here are some predictions I have about the future: 1. We will eventually build AIs in the common sci-fi sense, but these will generally be used for entertainment or as "user-interfaces" to more powerful systems (like secretaries that translate natural-language queries into something like SQL. Gates of Vienna After being taken down twice by Blogger within a single week, we got the message: It's Time To Go. Gates of Vienna has moved to a new address.. Meditations On Moloch | Slate Star Codex Ah, but super-human AI is not the only way Moloch can bring our demise. How many such dangers can your global monarch identify in time? EMs, nanotechnology, memetic contamination, and all the other unknown ways we're running to the bottom.

Barack Obama - Wikiquote When we have faced down impossible odds; when we've been told that we're not ready, or that we shouldn't try, or that we can't, generations of Americans have responded with a simple creed that sums up the spirit of a people: Yes, we can. Gaining by Losing: Why the Future Belongs to Churches That ... Gaining by Losing by J.D. Greear has quickly become my favorite book of 2015. In this book, Greear makes the bold assertion that the best way to grow the Kingdom of God is not to grow your church, but to deliberately reduce the numbers by sending church members out into the world to plant churches and take the gospel to the ends of the earth.
